2027 APPROVED BUDGET

2027 budget at a glance

Allendale's budget supports the everyday services residents rely on, while planning for facilities, public spaces and infrastructure that serve the community over time.

$20.21M	$7.07M	$10.38M
All-funds approved spending	General Fund spending	Water and sewer spending

The decisions behind the numbers

Public safety	Staffing and readiness for emergency response; continued Ottawa County Sheriff partnership.
Community life	Library programs, parks, community events and accessible public spaces.
Infrastructure	Reliable utility operations, repairs, maintenance and long-term capital planning.
Stewardship	Transparent financial planning, accurate records, elections and resident services.

The figures are 2027 appropriations as approved by the Township Board. Fund totals include interfund transfers and are not equivalent to property-tax spending.

How the budget is changing

Comparisons below use the 2026 amended budget and 2027 approved amounts. A change in cost does not automatically indicate a change in service levels.

Measure	2026 amended	2027 approved	Change
General Fund revenue	$6,703,049	$6,297,141	–6.1%
Police contract	$750,000	$780,000	+4.0%
Fire Department	$1,156,550	$1,287,431	+11.3%
Elections	$200,980	$194,594	–3.2%

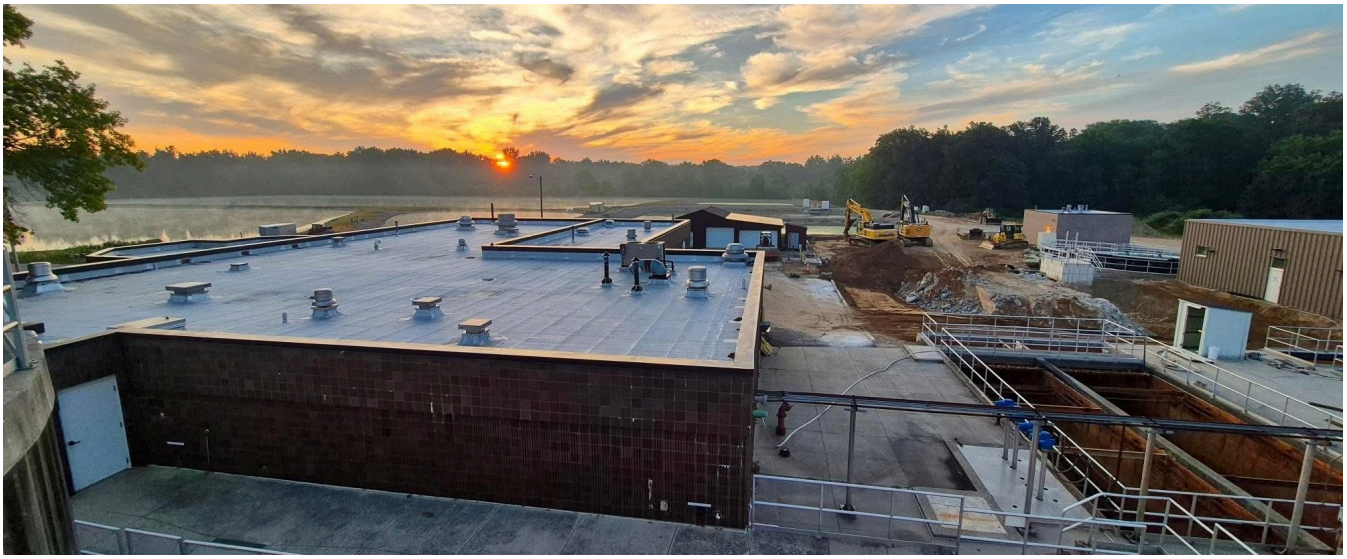

What explains the changes?

Fire — Approved staffing changes support the department's priority of full-time, around-the-clock coverage.

Police — The contract with the Ottawa County Sheriff's Office rises by $30,000.

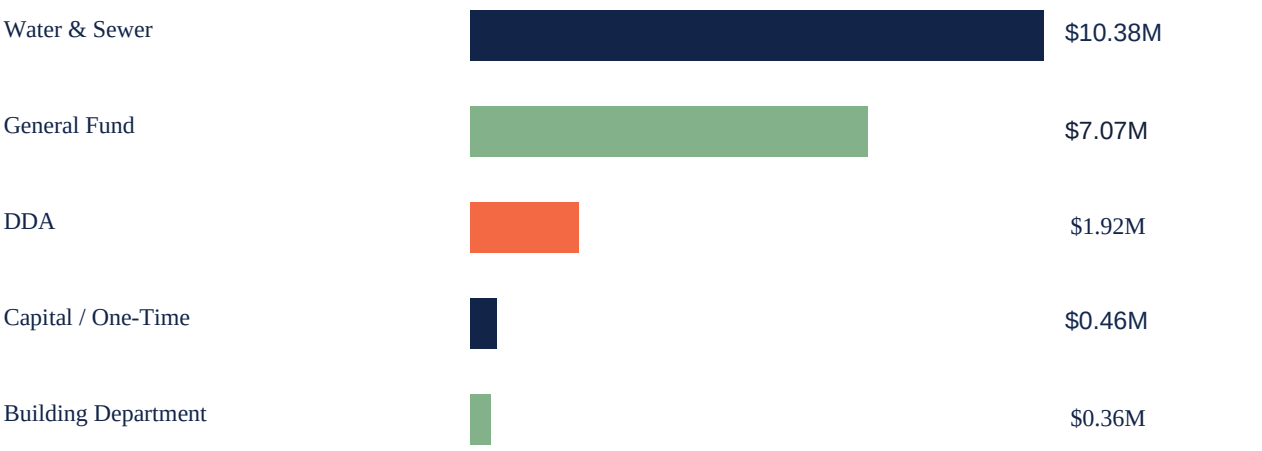

Elections — Budget planning accounts for possible elections; election-year costs vary with the calendar.

Water and sewer is presented separately because it is a utility fund, not a General Fund department.

Where the 2027 budget goes

Each fund has a different purpose. The largest category is the Water & Sewer Fund, which supports utility services and debt obligations.

2027 approved appropriations	Amount
Water & Sewer	$10,376,011
General Fund	$7,068,138
Downtown Development Authority	$1,924,600
Capital / One-Time Projects	$457,600
Building Department	$364,450
Cemetery Improvement	$16,220
Road Fund	$6,500
Other funds	$0
Total	$20,213,519

Fire and emergency response

A fast, capable response depends on personnel, training, vehicles and equipment being ready when needed.

1,355 Incidents Jan–Sep 2026	**14.9%** Increase over Jan–Sep 2025	**5:45** September average response time

2026 service snapshot

September brought 196 emergency incidents, including a majority of medical calls. Personnel logged 667.95 hours on alarms and 104.75 training hours during the month.

2027 priority

Staffing

Restructure and hire personnel to pursue full-time, 24/7 coverage. The approved Fire Department budget is $1,287,431.

Why it matters

Emergency readiness is a continuing service: crews train and maintain equipment even when there is no active call.

Police protection

Allendale provides law enforcement services through a contract with the Ottawa County Sheriff's Office.

$750,000 2026 approved	**$780,000** 2027 approved	**4.0%** Approved increase

What residents receive

Access to law enforcement resources through the county partnership, without operating a separate Township police department.

The approved contract amount is a budgeted cost, not a measure of incidents, staffing hours or response performance.

A library that grows with Allendale

The library supports learning, access to information, technology skills and community connections for residents of all ages.

2026 accomplishments

More access	Evening storytime for working families, expanded adult programming and one-on-one technology tutoring.
Planning	Completed a strategic plan to guide service and program improvements.

2027 priorities

Better experience	Evaluate spaces, collections and programs; replace the circulation desk to improve functionality.
Digital access	Plan for two public computers and three laptops; review digital subscription options.
Community links	Build relationships with homeschool families and local organizations.

Approved General Fund library spending: $665,869. Approved library capital outlay in the Capital / One-Time Projects Fund: $22,600. Some action-plan ideas extend beyond 2027.

Parks, places and community life

Parks, sidewalks and events create places for neighbors to gather and help strengthen Allendale's sense of community.

2026 accomplishment

Getting started — Building & Grounds reports beginning Township park improvements.

2027 priorities

Public spaces — Continue park improvements and consider parking lot additions.

Community events — DDA priorities include Concerts in the Park, M-45 holiday lighting and a Chamber partnership for the Fall Festival.

Future planning — Continue next steps in planning for a town center; planning is not construction approval.

Selected approved DDA projects

Water, sewer and infrastructure

Utility work is often out of sight, but essential to dependable water and wastewater service.

2026 accomplishments

Projects completed	56th Avenue Lift Station and North Watermain Extension projects.

2027 priorities

Everyday reliability	Operator training, regular maintenance and attention to controlling rate pressure.
Long-term work	Begin the process of lagoon closures.
Equipment	Plan to replace a truck and plow, purchase a scissor lift and dispose of older equipment.

$11.05M Budgeted utility revenue	$10.38M Approved utility spending	**$2.39M** Included debt department

Utility finances are separate from the General Fund. These costs should not be interpreted as being paid entirely by general operating property taxes.

Services behind the scenes

Accurate records, well-run elections and responsible financial administration make it easier for residents to use Township services.

Assessing	Train a new field appraiser; improve property records and subdivision data; continue reappraisal work.
Clerk & elections	Improve searchable cemetery records and monument photos; scan ordinances and resolutions; plan for possible elections.
Treasurer & finance	Improve receipting and investment processes, and implement credit card payment options.
Administration & HR	Maintain technology and daily operations, employee training, workplace safety and benefits administration.

Some improvements are planned initiatives, not services already implemented.

2027 capital investments and projects

One-time projects and equipment purchases can improve service for years. These are approved amounts, not a list of completed or independently approved projects.

Project / investment	2027 approved amount
DDA: Township Park improvements	$330,000
DDA: Joal Street sidewalks	$240,000

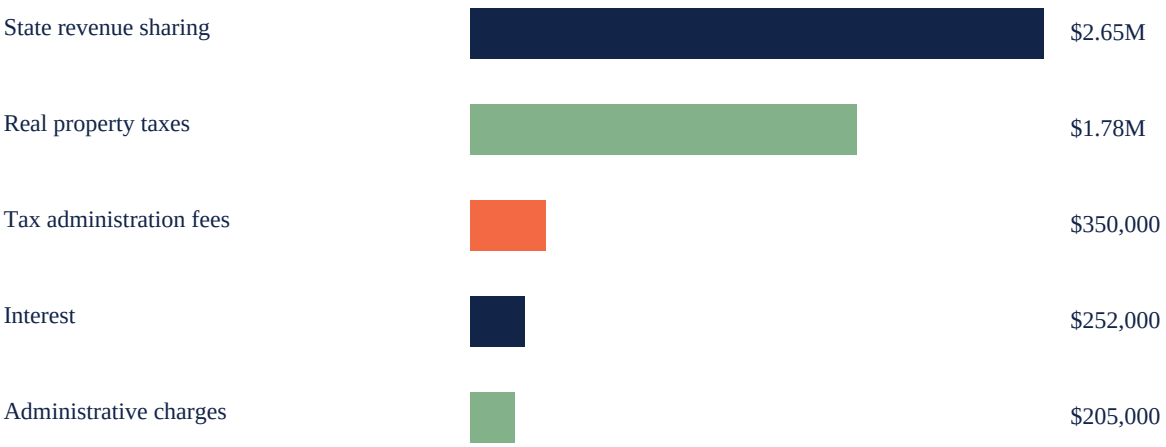

Why this matters

Park and sidewalk projects enhance shared spaces and connections. Library equipment supports access and service. Utility equipment supports ongoing maintenance. Some project amounts are part of larger departmental appropriations and should not be added to the total above.

Understanding General Fund revenue

The General Fund supports a broad mix of Township services. State revenue sharing and property taxes are its two largest budgeted revenue lines.

These five sources account for approximately 83% of budgeted General Fund revenue. Other revenue includes fees, reimbursements, grants and additional sources.

Why all revenue is not property taxes

The Township receives different types of revenue for different services. Utility charges and designated funds should not be confused with General Fund property-tax receipts.

2026 accomplishments → 2027 priorities

The budget is most meaningful when current accomplishments connect to next year’s work.

Service	2026 progress	2027 direction
Fire	1,355 calls through September	Full-time coverage priority
Library	Strategic plan; expanded programs	Service space and technology
Parks	Park improvements begun	Further improvements and events
Water & Sewer	Two projects completed	Maintenance, training, lagoon work
Finance	Oversight and process improvements	Receipting and investments

Looking ahead

The approved 2027 budget aims to maintain daily services while investing in the people, facilities and systems that serve Allendale.

Safety	Prepare emergency personnel and maintain the law enforcement partnership.
Quality of life	Support library access, parks, events and public gathering places.
Dependability	Maintain utilities and plan for infrastructure needs.
Accountability	Protect public resources through budgeting, records and financial oversight.

This booklet reflects the 2027 budget as approved by the Township Board.
